

Beste Medeburgers,  
Deze schetsen werden getekend opdat  
tot verweg het lied van het ijzer zou luiden,  
die door sneeuwbuien of zonnenschijn,  
onze oude gevels en tuinen doet zingen.  
Vakmensen hebben op duizend en een wijze  
de materie bewerkt opdat zij de dromen  
door de Eeuwen heen brengen zou.

Aan uw beurt om op het aanbeeld de lied  
van de tijd te herkomponeren met al  
zijn verscheidenheid. P.W.
